

FORTINE COMMUNITY CHURCH

APRIL NEWSLETTER

Missions Central...

Amazing things are happening around the world and God is moving! Remember to pray for our missionary partners! Pray for people like Stephen and Kelli who are preparing to launch into tough fields of ministry. Learning language is a crucial part of sharing Jesus with people in other cultures; but it is extremely difficult and can be disheartening. Pray for Stephen and Kelli as they work through language school and begin to consider how God might use them in the very difficult field that God has called them to. If you have any questions, please reach out to a Missions Committee member.

...Governing Board Notes

It was decided to apply the money given to the Mission Trips Fund to the team going to Bangkok this summer. All dollars from the Fund and received from the love offering taken for Anneton are being sent to Adventure Church for allocation.

Pastor's Corner...

As we celebrate Easter this month, we celebrate the most important events for us as believers. Without the cross there would be no forgiveness; without the resurrection there would be no hope. The cross and the resurrection are at the pinnacle of the salvation story that our Creator is writing. This is our story. Lost, but now found; blind, but now we see. All because of His sacrifice, all because He conquered death. How do we respond?
